Dear Parent/Guardian:

## Hall Academy

This letter is intended for parents or guardians of children enrolled in a child care center. \_\_\_\_\_ offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached **CACFP Meal Benefit Income Eligibility Statement** (IES) form. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced-price meals.

**Quality Care for Children** (QCC) is an administrative sponsor for CACFP and works with this child care center and/or afterschool program. QCC will help ensure our program operates and complies with USDA standards. For more information about QCC, go to [www.qualitycareforchildren.org](http://www.qualitycareforchildren.org).

### Frequently Asked Questions

1. **Do I need to fill out an Income Eligibility Statement (IES) for each of my children in day care?** You may complete and submit one [1] IES form for all children enrolled in child care in your household **only** if the children in child care are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. **Return the completed form to:** [forms@qccga.org](mailto:forms@qccga.org).
2. **Who can get free meals without providing income information?** Children in households getting Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) benefits can get free meals. Foster children and children enrolled in Head Start are also eligible for free meals. Children in households participating in WIC may be eligible for free meals.
3. **Who can get reduced-price meals?** Your children can get reduced-priced meals if your household income is within the reduced-price limits on the Federal Income Eligibility Guidelines, shown on this application. Children in households participating in WIC may be eligible for reduced-price meals.
4. **May I fill out a form if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center.
5. **Who should I include as members of my household?** You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you.
6. **How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Income Eligibility Guidelines, the center will receive a higher level of reimbursement. Once properly approved for free or reduced-price benefits, whether through income or by providing a current SNAP, TANF, FDPIR case number, you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the eligibility standards.
7. **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally receive overtime pay, include it, but not if you only work overtime on an occasional basis.
8. **What if I have foster children?** Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the Income Eligibility Statement but are not required to include payments received for the foster

child as income. Households wishing to apply for such benefits for foster children should contact [Angelyn.Hoard@qccga.org](mailto:Angelyn.Hoard@qccga.org) or [Jireka.Neal@qccga.org](mailto:Jireka.Neal@qccga.org).

9. **We are in the military; do we include our housing and supplemental allowances as income?** If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, regarding deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.
10. **What if I disagree with the decision about the information I complete on this form?** You should talk to your sponsoring organization.

In the operation of the CACFP, no person will be discriminated against because of race, color, national origin, sex, age, or disability.

If you have other questions or need help, call **404-479-4195** or **404-479-4197**.

Sincerely,

Caitlin Vadini, Director, Nutrition Services

The participant in the day care facility may qualify for free or reduced-price meals if your household income falls within the limits on the Annual Income Eligibility Guidelines.

# C Sharing Information with MEDICAID/SCHIP

Name of Child Care Center: \_\_\_\_\_

Dear Parent/Guardian:

If your children qualify for free or reduced-price meals, they may also be able to get free or low-cost health insurance through Medicaid or the State Children's Health Insurance Program (SCHIP). Children with health insurance are more likely to get regular health care and are less likely to become sick.

Because health insurance is so important to children's well-being, **the law allows us to tell Medicaid and SCHIP that your children are eligible for free or reduced-price meals, unless you tell us not to.** Medicaid and SCHIP only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children in this health insurance program. Filling out the CACFP Meal Benefit Income Eligibility Forms does not automatically enroll your children in health insurance.

**If you do not want us to share your information with Medicaid or SCHIP, fill out the form below and send it with your Income Eligibility Form to the child care center office. It will be forwarded to Quality Care for Children, Nutrition Department, 3 Corporate Blvd. NE, Suite 230, Atlanta, GA 30329 right away. (Sending in this form will not change whether your children get free or reduced-price meals.)**

**No! I DO NOT** want information from my CACFP Meal Benefit Income Eligibility Statement shared with Medicaid or the State Children's Health Insurance Program.

**If you checked no, fill out the form below.**
